# CONVICT RIOTS FATAL TO TRIO

Guard and Two Prisoners  
Killed in Disorders in  
Texas Prisons

FOLLOW EXECUTION OF 2

Main Penitentiary and Farm  
Unit Scenes of Wild  
Outbreaks

By The Associated Press  
HUNTSVILLE, Tex., May 11.—  
The death of a guard and two pris-  
oners and the escape of three con-  
victs today marked bloody disorders  
at two of the many units in the  
state's prison system.

A break in which a guard and a  
prisoner were killed at the eastern  
prison farm and fights at the main  
penitentiary here occurred less than  
18 hours after Raymond Hamilton,  
southwest desperado and his com-  
panion in crime Joe Palmer were  
electrocuted for slaying a guard.

Authorities said they found no  
connection between the uprisings  
and the execution of the two killers  
who led the Eastham farm escape  
in which Major Clawson a guard  
was killed in 1934.

Los Smuggled Gun  
Jack Paddy who once gained  
freedom by forcing a parole from  
the prison farm break 40 miles  
north of here using a smuggled  
gun he killed Victor Welch sev-  
erely wounded Homer Parker con-  
vict turned and beat Guard Tom  
Stephens into unconsciousness.

Paddy was shot down as he two  
murderers and a robber fled across  
a field. The guards thinking the  
leader was dead continued in pur-  
suit of the other convicts. They  
returned later to find Paddy gone.  
He was shot to death two hours  
later as he walked out of a clump  
of trees.

The others—Sam Grant and R. C.  
Tipton both serving life sentences  
for murder and Harry Lutlow  
serving 35 years for robbery—fled  
into the Trinity river bottoms.

Stabbed in Gang Fight  
At the prison here Ernest Young  
who last January came close to  
killing a convict by cutting his  
throat over a dice game was  
stabbed to death in a gang fight  
about 100 prisoners took part in  
the fight which came shortly after  
an altercation in the prison between  
two other convicts. Several other  
prisoners were bruised.

Paddy slipped up and hit Guard  
Tom Stephens who was searching  
for convicts before letting them into  
the dormitory, said W. B. Cline,  
assistant warden in describing the  
pastime escape.

Stephens turned and grabbed  
him and he started shooting trying  
to hit the guard. But Stephens  
showed the gun away and Paddy  
meanwhile sank four bullets into  
Turnkey Parker who was standing  
nearby.

# AUTO MEN MAP NEW PROPOSAL

Company Yields Point by  
Agreeing to Negotiate Dur-

LABOR PROGRAM CHARTED

Offered Moral and Financial  
Support of Akron Rubber  
Union.

By The Associated Press  
TOLEDO, O., May 11.—Federal  
mediators hoped to put some  
30,000 auto workers back to  
work as they brought  
labor leaders and officials of Gen-  
- eral Motors Corp. together today  
for a peace pact on the strike  
in the Chevrolet plant here.

The company in agreeing to  
meet with the strikers deputed  
from its previous position of re-  
fusing to negotiate until the em-  
ployees returned to work.

Strike leaders went into the  
meeting with their program chart-  
ed in advance. Frank J. Dillon,  
American Federation of Labor in-  
- genieur for the automobile in-  
- dustry met with leaders of the  
United Automobile Workers fed-  
- eration which has been fighting  
a plan of return.

Clemens, secretary of the  
organization for the rubber in-  
- dustry, pledged the moral and  
financial support of the rubber  
unions to the strikers here at a  
rally last night.

Edward J. McFarland, a union  
leader of Labor Union and  
Theodore J. Williams, federal  
mediator, said that the  
nothing tangible yet to be  
- hieved for settlement of the strike, but  
- he believed a compromise was  
- at hand.

One of the principal stumbling  
- blocks to an agreement is the  
- union demand for a eight con-  
- tract.

The strike here resulted in  
- strikes and shutdowns at a  
- series of Chevrolet and Buick  
- body plants in the county. Set-  
- tlement of some of these plants  
- will depend on the entire case today.  
- It is believed four thousand work-  
- ers at the Chevrolet and Buick  
- body plants in St. Louis will  
- be called back to work today.

# UTILITY STOCKS MOVE HIGHER

Company issues and altered specialties enjoy climb

The Associated Press

WASHINGTON, May 11.—Preferred utility stocks advanced today, with a number of specialties also showing gains. The movement was due to a number of factors, including the fact that the Federal Reserve bank had raised the discount rate to 3 1/2 percent, and the fact that the government had announced that it would purchase \$100,000,000 of new government bonds.

The following table shows the closing quotations for some of the utility stocks which moved higher today:
